

Dear Classmate,

As unbelievable as it seems, it will be fifty years ago in June that we left the halls of Parkway Central and Parkway North High Schools and went out into the world – a group of confident and naive 17 and 18 year olds seeking life's next journey.

We know the past five decades have brought a wide variety of events and experiences into our lives. Each of us has grown and changed. Each has discovered the complexities of life beyond our high school halls. So, come join us in a celebration of the friendships that have shaped us and the memories that remain.

Please spread the word and help to make sure EVERYONE knows about the big event. Phone your fellow class of '73 friends, jump on Facebook, Instagram, pull up your contact list... we want to see everyone at the reunion!

You will be missed if you don't attend, so come and make our milestone 50-Year Reunion one to remember.

See you there!

Your Class of 1973 Reunion Committee

P.S. Be sure to check out varsityreunions.com for more information about our reunion and to purchase tickets.
